MEMORANDUM FOR: All NWS Employees

FROM:

David L. Johnson

2/24

SUBJECT: Equal Employment Opportunity Policy Statement

The NOAA's National Weather Service (NWS) serves the people of the United States every day. We are the sole U.S. official voice for issuing warnings during life-threatening weather situations. Today's NWS was built by our workforce; a workforce that needs an environment where everybody can contribute to the maximum of their ability. Therefore it is the policy of NOAA's NWS to provide equal access to employment regardless of race, color, religion, sex, national origin, age, sexual orientation, or physical or mental disability.

As the NWS Assistant Administrator, I am committed to EEO and its goals. During my administration, the NWS will enforce a zero tolerance policy for any form of discrimination or harassment. Discrimination may be displayed through disparate treatment, disparate impact, or retaliation. Disparate treatment occurs when an employee is intentionally treated differently than others who hold or are applying for similar jobs. Disparate treatment can occur in any area of employment including hiring, discipline, performance appraisal, termination, working conditions, or benefits. Disparate impact occurs when employment policies or procedures appear neutral but have a negative effect on a group with a common race, color, religion, sex, national origin, age, sexual orientation, or disability status. Retaliation occurs when management takes action against an employee because the employee participated in the Equal Employment Opportunity (EEO) complaint process or opposed agency actions believed to be discriminatory.

As an employee, it is important to understand, and utilize when necessary, the discrimination-complaint process and seek the assistance of an EEO representative without fear of retaliation. Should you believe you have been the victim of unlawful discrimination, you may contact the NOAA Office of Civil Rights at (voice) 301-713-0500 or 1-800-452-6728, (TDD) 301-713-0982, or (fax) 301-713-0983.

For more information on what constitutes a violation of EEO, visit the NOAA Civil Rights Office's web site at <http://www.ofa.noaa.gov/~civilr/eeopol.htm>.
